7 Steps to Creating a Memorable First Impression, an eBook by Rhonda L. Sher, Dare to Speak to Strangers Success Expert

Have you ever wondered “what is he or she thinking” after you just met someone or left a meeting? Most of us don’t know what kind of a first impression we leave behind but the first certainty is that it is a lasting impression. The other certainty is that we rarely get a second chance to make a first impression. That is why those first few seconds are so important. This eBook is intended to provide you with the tips and techniques to create a lasting first impression that will cause others to remember you in a positive light. Whether it is a business or personal situation, the impression you leave behind is lasting.
